de penser au climat

This document certifies that

damian blanchard

Has participated fighting climate change

Contributing to greenhouse gas emissions reducing projects selected by
par Climat Mundi

Offsetting **16 471 kilos of CO₂**

Le 09 novembre 2008

Handwritten signature of Eric Parent.

Eric Parent
Managing partner

*In addition to offsetting your carbon emissions, we strongly recommend you strive
to reduce carbon emissions at the source as well.*
